

COMPANY BACKGROUND

Founded in 2009, Configero is a certified Salesforce implementation and ISV partner, offering expert consulting services to maximize investments in CRM. From installation and integration to user adoption, Configero provides companies with a full-lifecycle approach to CRM, ensuring results for every department Salesforce touches from sales and marketing to human resources and finance.

CLOUD ALLIANCE
PARTNER

Building long-term partnerships is a central tenet of Configero's business approach. With this key foundational principle, we work with companies on friendly terms, including easy-to-understand contracts and pricing. This flexibility allows us to work with you any step of the way, from pre-CRM experience to full deployment, to deliver a holistic solution to solve a particular business need or challenge.

Configero is headquartered in Duluth, GA with delivery and sales support experts in Atlanta, Tampa, Charlotte, Birmingham, New Jersey, and New York serving clients across the Southeast, Mid-Atlantic and Northeast.

EXPERTISE

Configero's broad and deep experience on the Salesforce platform spans several industries, including: healthcare, technology, manufacturing, staffing, telecom, transportation, financial services, health/beauty and education.
